Student Feedback Report Analysis

The feedback from students for each course is collected and analyzed at department level. The consolidated report is generated at institute level by considering department feedback. The feedback analysis of student feedback is shown below:

Parameter	Code
For the discipline and concurrent technologies, the course structure framed by the university is relevant.	S-1
The course outcomes are relative to the objectives defined.	S-2
Rate the course in terms of extra learning or self-learning considering the design of the course.	S-3
The course offers ICT based learning techniques.	S-4
Appropriate assessment tools are used for course outcome evaluation?	S-5
Course offered in curriculum by the university supports in capstone project/seminar/internship	S-6
Learning & teaching methods encourage me to participate in co-curricular activities	S-7
Overall rating for the course	S-8

The report gives information about the number of students who have chosen excellent, very good, good, fair and poor by considering all students across departments.

Parameter	Code	Excellent	Very good	Good	Fair	Poor
For the discipline and concurrent technologies, the course structure framed by the university is relevant.	S-1	9824	4314	935	203	114
The course outcomes are relative to the objectives defined.	S-2	9563	4526	1014	185	102
Rate the course in terms of extra learning or self-learning considering the design of the course.	S-3	9634	4431	1002	223	100
The course offers ICT based learning techniques.	S-4	9508	4587	993	192	109
Appropriate assessment tools are used for course outcome evaluation?	S-5	9587	4520	978	192	113
Course offered in curriculum by the university supports in capstone project/seminar/internship	S-6	9511	4572	1009	192	106
Learning & teaching methods encourage me to participate in co-curricular activities	S-7	9497	4560	1037	195	101
Overall rating for the course	S-8	9676	4428	999	179	107

Alumni Feedback Report Analysis

The feedback from alumni is collected and analyzed at institute level. The consolidated report is generated at institute level. The feedback analysis of alumni feedback is shown below:

Parameter	Code
The courses of curriculum has relevance to the present scenario	A-1
Does the curriculum have enough emphasis on the practical courses?	A-2
Does the curriculum able to bridge the gap between the industries and the institute	A-3
Does the curriculum sensitize the students for the issues related to the gender equality, effective communication, professional ethics and social responsibility?	A-4
Does the curriculum enrich the student with the knowledge required to withstand the present job competency?	A-5
Does the curriculum enrich with the content to compete for competitive examinations for higher studies.	A-6
How do you rate the courses which are skills related suiting to the industry included into the programs?	A-7
How do you rate the learning experience in terms of their relevance to the real-life application?	A-8
Overall rating to the curriculum?	A-9

The report gives information about the number of alumni's who have chosen excellent, very good, good, fair and poor by considering all alumni.

FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

IAQC analyses the feedback collected from all stakeholders. In general, the feedback received will be positive as all the stakeholder's expresses satisfaction on the content and implementation of the courses in the curriculum. The relevant suggestions were listed out by IQAC. The feedback analysis was discussed with the Heads of Departments and the Principal. Our institution is affiliated to Visvesvaraya Technological University, Belagavi, and we follow the Semester pattern and Syllabus offered by the University. The suggestions on curriculum were communicated to the Academic Council who in turn communicates to the university Board of Studies through HoD.

Year	Feedback Analysis	Action Taken Report
2020-21	IQAC suggested to improve career guidance & placement.	➢ Training activities were offered through online mode. ➢ Each faculty member (acts as mentor) encourage students to participate in all placement opportunities and also to enrol additional skill enhancement certification courses that leads to better employment opportunities.

Alumni Feedback Report Analysis- 2018-19

The feedback from alumni is collected and analyzed at institute level. The consolidated report is generated at institute level. The feedback analysis of alumni feedback is shown below:

Parameter	Code
The courses of curriculum has relevance to the present scenario	A-1
Does the curriculum have enough emphasis on the practical courses?	A-2
Does the curriculum able to bridge the gap between the industries and the institute	A-3
Does the curriculum sensitize the students for the issues related to the gender equality, effective communication, professional ethics and social responsibility?	A-4
Does the curriculum enrich the student with the knowledge required to withstand the present job competency?	A-5
Does the curriculum enrich with the content to compete for competitive examinations for higher studies.	A-6
How do you rate the courses which are skills related suiting to the industry included into the programs?	A-7
How do you rate the learning experience in terms of their relevance to the real-life application?	A-8
Overall rating to the curriculum?	A-9

The report gives information about the number of alumni's who have chosen excellent, very good, good, fair and poor by considering all alumni.

Alumni Feedback Report Analysis- 2017-18

The feedback from alumni is collected and analyzed at institute level. The consolidated report is generated at institute level. The feedback analysis of alumni feedback is shown below:

Parameter	Code
The courses of curriculum has relevance to the present scenario	A-1
Does the curriculum have enough emphasis on the practical courses?	A-2
Does the curriculum able to bridge the gap between the industries and the institute	A-3
Does the curriculum sensitize the students for the issues related to the gender equality, effective communication, professional ethics and social responsibility?	A-4
Does the curriculum enrich the student with the knowledge required to withstand the present job competency?	A-5
Does the curriculum enrich with the content to compete for competitive examinations for higher studies.	A-6
How do you rate the courses which are skills related suiting to the industry included into the programs?	A-7
How do you rate the learning experience in terms of their relevance to the real-life application?	A-8
Overall rating to the curriculum?	A-9

The report gives information about the number of alumni's who have chosen excellent, very good, good, fair and poor by considering all alumni.

Parameter	Code	Excellent	Very good	Good	Fair	Poor
The courses of curriculum has relevance to the present scenario	A-1	25	37	21	0	0
Does the curriculum have enough emphasis on the practical courses?	A-2	27	43	13	0	0
Does the curriculum able to bridge the gap between the industries and the institute	A-3	31	32	19	1	0
Does the curriculum sensitize the students for the issues related to the gender equality, effective communication, professional ethics and social responsibility?	A-4	26	50	7	0	0
Does the curriculum enrich the student with the knowledge required to withstand the present job competency?	A-5	27	45	11	0	0
Does the curriculum enrich with the content to compete for competitive examinations for higher studies.	A-6	32	40	11	0	0
How do you rate the courses which are skills related suiting to the industry included into the programs?	A-7	26	46	11	0	0
How do you rate the learning experience in terms of their relevance to the real-life application?	A-8	35	39	9	0	0
Overall rating to the curriculum?	A-9	28	55	0	0	0

Note: **Excellent: 5** **Very Good: 4** **Good: 3** **Fair: 2** **Poor: 1**

Employer Feedback Report Analysis- 2017-18

The feedback from Employer is collected and analyzed at institute level. The feedback analysis of employer feedback is shown below:

Parameter	Code
Developing practical solutions to work place problems	E-1
Open to new ideas and learning new techniques	E-2
Involvement in social activities	E-3
Ability to contribute to the goal of the organization	E-4
Ability to manage/leadership qualities	E-5
Self-motivated and taking on appropriate level of responsibility	E-6
Overall impression about their performance	E-7

The report gives information about the number of employers who have chosen excellent, very good, good, fair and poor.

Parameter	Code	Excellent	Very good	Good	Fair	Poor
Developing practical solutions to work place problems	E-1	3	0	0	0	0
Open to new ideas and learning new techniques	E-2	3	0	0	0	0
Involvement in social activities	E-3	0	3	0	0	0
Ability to contribute to the goal of the organization	E-4	0	3	0	0	0
Ability to manage/leadership qualities	E-5	1	2	0	0	0
Self-motivated and taking on appropriate level of responsibility	E-6	3	0	0	0	0
Overall impression about their performance	E-7	1	2	0	0	0

Parent Feedback Report Analysis-2017-18

The feedback from parent is collected and analyzed at institute level. The consolidated report is generated at institute level. The feedback analysis of parent feedback is shown below:

Parameter	Code
Are you satisfied with the laboratory & Infrastructure offered by college?	P-1
Are you satisfied with the quality of teaching offered by the college?	P-2
Are you satisfied with the regular updates /information shared by college about your ward?	P-3
Are you satisfied with the examination system adopted in the institute as per university norms?	P-4
Are you satisfied with training offered with respect to placement by college?	P-5
Are you satisfied with Co- Curricular Extracurricular activities organized by college?	P-6
Overall ratings	P-7

The report gives information about the number of parents who have chosen excellent, very good, good, fair and poor by considering all parents.

Parameter	Code	Excellent	Very good	Good	Fair	Poor
Are you satisfied with the laboratory & Infrastructure offered by college?	P-1	38	2	0	0	0
Are you satisfied with the quality of teaching offered by the college?	P-2	2	38	0	0	0
Are you satisfied with the regular updates /information shared by college about your ward?	P-3	36	4	0	0	0
Are you satisfied with the examination system adopted in the institute as per university norms?	P-4	5	35	0	0	0
Are you satisfied with training offered with respect to placement by college?	P-5	28	11	1	0	0

Student Feedback Report Analysis- 2016-17

The feedback from students for each course is collected and analyzed at department level. The consolidated report is generated at institute level by considering department feedback. The feedback analysis of student feedback is shown below:

Parameter	Code
For the discipline and concurrent technologies, the course structure framed by the university is relevant.	S-1
The course outcomes are relative to the objectives defined.	S-2
Rate the course in terms of extra learning or self-learning considering the design of the course.	S-3
The course offers ICT based learning techniques.	S-4
Appropriate assessment tools are used for course outcome evaluation?	S-5
Course offered in curriculum by the university supports in capstone project/seminar/internship	S-6
Learning & teaching methods encourage me to participate in co-curricular activities	S-7
Overall rating for the course	S-8

The report gives information about the number of students who have chosen excellent, very good, good, fair and poor by considering all students across departments.

Parameter	Code	Excellent	Very good	Good	Fair	Poor
For the discipline and concurrent technologies, the course structure framed by the university is relevant.	S-1	7424	7431	7411	0	0
The course outcomes are relative to the objectives defined.	S-2	7414	7479	7373	0	0
Rate the course in terms of extra learning or self-learning considering the design of the course.	S-3	7401	7445	7420	0	0
The course offers ICT based learning techniques.	S-4	7298	7569	7399	0	0

FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

IAQC analyses the feedback collected from all stakeholders. In general, the feedback received will be positive as all the stakeholder's expresses satisfaction on the content and implementation of the courses in the curriculum. The relevant suggestions were listed out by IQAC. The feedback analysis was discussed with the Heads of Departments and the Principal. Our institution is affiliated to Visvesvaraya Technological University, Belagavi, and we follow the Semester pattern and Syllabus offered by the University. The suggestions on curriculum were communicated to the Academic Council who in turn communicates to the university Board of Studies through HoD.

Year	Feedback Analysis	Action Taken Report
2016-17	IQAC suggested the need of digitalization of library & information services.	➢ Library & Information centre is digitized. ➢ Koho Real time Software is implemented to check the availability of books on-campus. ➢ E-resources & E-Journals, Digital Library, VTU Consortium, NPTEL & EDUSAT E-learning are added to the Library & Information Centre for the benefit of stakeholders.
